OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 17 March 1965

25X1 1. [] Talked with Oneta Stockstill on the staff of House Armed Services who advised that Mr. Rivers would have to cancel on the proposed CIA Subcommittee briefing on 19 March. After discussion of dates she indicated that the 25th was available for the Subcommittee. After checking this with Mr. Elder who indicated the Director's calendar was clear, she was advised that this was all right.

25X1 2. [] Mr. Boyd Crawford on the staff of House Foreign Affairs was advised that the 22nd was all right for the Zablocki group to visit the Agency. I informed Mr. Crawford that I was not certain that Mr. McCone could be present but that the DD/L, Dr. Chace, definitely was available.

25X1 3. [] Mr. James Gehrig called stating he had talked with Chairman Anderson about having an Agency representative brief him on the Soviet space program. Senator Anderson specifically requested that Senator Margaret Chase Smith and Senator Symington be included in this briefing. I advised Gehrig that I would be in touch with him tomorrow on this.
